Dear Sir,

**Re: Letter of Appreciation**

We would like to take this opportunity to express our gratitude for the services provided by all your staff, be it with the implementation stages as well as continuous service support.

We found out that your property development software is a quality system that has eased us in keeping all records concerning property sold and provided us the convenience in dealing with daily routines, and it is easy to use.

It has been a great experience working with your support team. They are easily accessible via the phone or email and always going all out to solve whatever question or problems that arise at our end. The programmers have been constantly updating and enhancing the software and we believe that the level of service we have received is second-to-none.

Thanks again for the hard work and we look forward to our continued relationship.

Yours faithfully,  
For and on behalf of
